

PARTENER HERBOTS - BELGIA

SKY CHAMPIONS – Partener Herbots

“Din pasiune pentru calitate”

Cu totii suntem constienti de faptul ca, cei care poseda in crescatoriile lor porumbei de calitate si sunt extrem de motivati, vor fi incununati de succes la finalul sezonului competitional. Este o dorinta care arde in fiecare columbofil, o pasiune fara de care nu este posibil sa ne bucuram pe deplin de frumusetea sportului nostru.

Si pentru ca am pornit la drum cu pasiune, avand in vedere cererea existenta in tara noastra privind materialul de calitate, am considerat sa venim in intampinarea columbofililor cu un proiect inovativ, fiind convinsi ca rezultatele reprezinta consecinta directa a investitiei tintite in porumbeii speciali care ne populeaza compartimentul de reproducie. Prin acest lucru nu intelegem sa achizitionam excesiv, ci o cautare minutioasa a acelor porumbei exceptionali pe care sa-i introducem intr-o baza sigura existenta, cautarea porumbeilor capabili sa transmita mentalitatea de invingatori urmatoarelor generatii.

Reproducerea campionilor inseamna arta, insa este mult mai simplu daca pornim de la inceput cu genele corespunzatoare. Anii de experienta ne-au invatat ca porumbeii care performeaza provin din cele mai bune familii.

Belgia reprezinta pe tot mapamondul leganul columbofiliei mondiale, tara cu cea mai indelungata traditie in pasiunea noastra, tara in care concursurile aduna la start cea mai acerba si numeroasa concurenta. Din acest motiv am incheiat un parteneriat cu Familia Herbots din Belgia, investitori masiv in porumbei de top absolut si , ceea ce este mai important, concurecti desavarsiti cu un palmares unic obtinut in deceniile de traditie in columbofilie. In fiecare an unuia sau mai multor campioni nationali sau castigatori ai concursurilor nationale li se acorda o boxa in compartimentul de reproducie. Investitiile se fac in mod extrem de selectiv si doar dupa ce primesc acordul intregii echipe Herbots.

Astfel au fost aduse de la Familia Herbots 10 cupluri exponentiale pentru a demara acest proiect. Toti porumbeii care formeaza aceste cupluri provin direct din campioni nationali sau castigatori de concursuri nationale, originile lor fiind garantate prin test ADN. Toate cuplurile sunt pastrate in compartimente individuale de reproducie, putand garanta in acest mod 100% originea produsilor, iar la solicitarea clientului se ofera test ADN.

Ne face o deosebita placere sa va prezentam brosură noastră prin care va puteti face o imagine clara asupra cuplurilor existente in prezent in compartimentele de reproducie, putand efectua imperecheri speciale dupa dorinta clientului.

Daca sunteti interesati de produsii acestor porumbei, va rugam sa ne contactati pentru orice informatie.

Dorim sa puteti profita de aceste investitii si va dorim inca de pe acum mult succes!
