THE 'DOLLE'

Favoritul lui Machiel Buijk's de Van Geel a fost intotdeauna 'Dolle', nu doar pentru rezultatele lui perfecte la maraton, ci si pentru ochiul sau special, caracteristica pe care o transmitea cu succes si generatiilor urmatoare. Dolle s-a demonstrat a fi cel mai bun reproducator Jan Aarden al tuturor timpurilor si este, fara dubii, si cel mai bun zburator al acestei linii. A participat la 17 maratoane si le-a clasat pe toate. Dintre rezultatele notabile amintim:

1 Provincial St. Vincent 1.684 porumbei

3 National St. Vincent 6.844 porumbei

1 Provincial Dax 1.032 porumbei

3 National Dax 3.649 porumbei

9 Provincial Limoges 1.610 porumbei

12 National St. Vincent 6.917 porumbei

20 Provincial Chateauroux 2.176 porumbei

22 Provincial Chateauroux 2.425 porumbei

39 Provincial Moulins 5.146 porumbei

59 Provincial Moulins 4.612 porumbei

66 National Dax 3.561 porumbei
